Agenda/Review of topics:

Agenda was good to go

Committee Reports:

Concession: No new information regarding concessions. Russ notified Kyle that he would be closing the football concession stand. Asked Kyle to communicate with Russ regarding a little more notice on the closing so we can get in the concession and finish our cleaning before everything is shut down. All food and drink products have been moved from football to basketball concession. Looks as if we would only be purchasing small items for food service in the concession stand.

General Fundraising:

Bricks: Display bricks at Basketball games. Liz is looking into the credit card app so people can use credit card to pay for brick. Deadline to order bricks for this year is April 1, 2020. This will allow the bricks to be placed this summer. Bricks can still be ordered after April 1, but will not be placed until later.

Poker Run: Confirmed for January 18, 2020. Flyer and information will be posted soon as well as placed on social media. Kris will be looking into getting a fundraising form for this event.

Treasurer's Report: Current Balance is \$18,643.48. Report given by Kris because Hailey was on her way from Hart Basketball game. When Hailey arrived, she added that we had a X-Country meet and Volleyball tournament that added to the balance, as well as depositing the start up cash from football concessions. Hailey and Kris also discussed how we are at the same amount as the same time last year even without the large football games. Also, Hailey spoke about the savings we have had with concession expenses, that is why are numbers are almost the same. Motion made by Liz, 2nd by Kim to approve the treasurer's report, motion carried.
