Agenda/Review of topics:

Agenda was good to go

Committee Reports:

Concession: Concessions are doing well. Trying to keep up with all the January events. Becky is trying to let it dwindle down due to only 3 home events in February. However, Lloyd Cogswell has been rescheduled. May need to inventory before event. Liz and Hailey had concerns with the elephant ears. It is messy, we don't make much profit and we are still blowing electrical breakers when trying to make. We will only do them for Lloyd Cogswell meet and possible districts for boys' basketball, but that is it.

Kris also mentioned that there may be some funds headed in the concession direction as far as upgrades and improvements to the concession room itself. More info to come.

General Fundraising:

Dodgeball: Becky brought to the board information regarding a dodgeball tournament to take the place of the alumni basketball game. She shared information and it was determined that an informational flyer should be made to even see if the middle school students and high school students have any interest. Then we will go from there. Becky and Liz will work on the flyer. Info to follow.

Poker Run: Went well considering the conditions. 42 participants (lowest so far) but very generous people helped us raise \$1439 for the night. WE NEED to get more people participating. Concern brought up about the time of year and weather. Also, what about drivers or bus for people involved.

Brick- Going well. Have a few more ordered. Deadline is April 1st if you want the brick installed this year. Otherwise, bricks purchased after that will not be installed until following year. We now have credit card reader to help process all purchased bricks and future brick purchases. Also, it was suggested to set up a display at the St. Catherine's Fish Fry's to get more people involved.

Treasurer's Report: Last month balance was \$19649.71. Current balance is \$22101.13. Treasurers full report on website. Motion made by Liz, 2nd by Cindy to approve the treasurer's report, motion carried.

Athletic Director Report:

- Conference expansion: No word yet. March is the deadline, hope to hear more then.

- Spring Schedule not ready yet. JV teams not looking good. Matt will put on SUG as soon as he gets it from Kyle. Would like to have it on SUG by March 1.
